O R D E R

On September 26, 1995, Paul and Frances Mize filed a complaint against Barnesburg Water Association, Inc. ("Barnesburg") concerning their water service and supply. Barnesburg was directed by Order to Satisfy or Answer the Complaint. Although Barnesburg's answer, filed on November 6, 1995, alleged to have satisfied the Complaint, the Mizes informed the Commission that in fact the Complaint has not been satisfied. While Barnesburg is not recognized as a utility entitled to file applications with the Commission, and can no longer validly construct, borrow money, or raise rates,¹ until such time as it has completed its merger with South Eastern Water Association, Inc. as ordered by both the Commission and the Franklin Circuit Court, it has a duty to provide

All exhibits shall be appropriately marked.

² By order of the Franklin Circuit Court issued July 31, 1995, in Civil Action No. 92-CI-01151, Public Service Commission of Kentucky v. Barnesburg Water Association, Inc., et al., which compels compliance with the Commission's Order of February 22, 1988, in Case No. 9967, The Proposed Merger of Barnesburg Water Association, Bronston Water Association, Elihu-Rush Branch Water Association, Nelson Valley Water Association, Oak Hill Water Association, Pleasant Hill Water District, Pulaski County Water District No. 1, Pulaski County Water District No. 2, and Tateville Water Association, Barnesburg must complete all legal requirements necessary to effect a merger with South Eastern by November 28, 1995.

4. Copies of all documents served upon any party shall be served upon all other parties and simultaneously filed with the Commission.
